

Education & Training Committee
(Meeting Time: First Sundays at 6PM)

Mission Statement:

Educate and engage Minnesotans on the issues of health care financing reform through a variety of formats, styles and strategies, while respectfully educating in line with the student's cultural background, emotional needs, and academic capacity.

Year One Action Plan:

- a. Create Subcommittees to actively create educational content:
 - i. Shareable online content (E.g. videos, graphics, text)
 - ii. Written descriptions and lesson plans to be featured on our websites
 - iii. Powerpoint Presentations for Speakers on various topics
 - iv. Academic Webinars
- b. Create and activate a Speakers Bureau to facilitate requests to outside organizations
- c. Offer Quarterly Academic Webinars on relevant topics and featuring compelling guest speakers
- d. Assist other Committees in their efforts by providing effective tools to accurately disseminate information
