

## HCA-MN/PNHP-MN Lobby Day – Mar 10, 2026

**Legislative Visit Guide/Worksheet – Name of Legislator:** \_\_\_\_\_

Constituent/legislator visits are an opportunity for the citizen lobbyist to share concerns and advocate for solutions on issues they care about. It is also an opportunity to educate elected officials in areas of public policy that might be outside their areas of expertise and/or generate more support from legislators who are “with us” on our issue. Please use this worksheet as a guide for conducting the constituent/legislator visit and as a written record of the visit.

**Roles:** Assign roles to participants. Constituents may need to take more than one role. Assure the notetaker records the visit. The facilitator monitors time - assure all issues are covered.

Leader/Facilitator \_\_\_\_\_ Timekeeper – Leader can cover this function.
